

29. Fundraising Policy for Welford Pre-school

Statement of intent

It is our intention to ensure any monies raised for Welford Pre-school through fundraising events organised by the committee and/or staff are used transparently to buy new resources for Welford Pre-school and Kids Aloud Club.

Aim

We aim to spend any monies raised through fundraising events transparently to enhance the resources available to children attending Welford Pre-school and Kids Aloud Club.

Methods

Throughout the year, the committee organises a range of events designed to raise funds for Welford Pre-school and Kids Aloud Club. We have a separate savings account specifically for monies raised as a result of a fundraising event.

At each fundraising event, we clearly state how we will use any monies raised to ensure transparency (e.g. new books, craft materials, outdoor equipment, etc.). Once the new resources have been purchased, we then share this information on our website and social media channels. This helps to ensure any fundraising efforts are both transparent and tangible, and hopefully encourages Welford Pre-school's families and the wider village to continue supporting our fundraising events.
