

24. Sustainability Policy

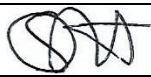

Statement of intent

At Welford Pre-school, we aim to do our part to help care for the environment around us, and the world in which we live.

Aims

Our aims are to carry out this policy by:

- Reusing scraps of paper and other containers for art and craft activities;
- Repairing any broken or damaged items where appropriate;
- Recycling all containers and paper that cannot be usefully reused in art and craft activities for the bi-weekly collection by West Northamptonshire Council;
- Using food waste bins collected by the West Northamptonshire Council;
- Reducing single-use plastic wherever possible;
- Focusing on making the most sustainable and environmentally friendly choices wherever possible; and
- Helping the children to understand the basic principles of sustainability, including composting, recycling and why recycling is important.
